PANTEGO, NC - Three local middle-school students recently attended summer basketball camp thanks to their selection by Tideland Electric Membership Corporation as Touchstone Energy Sports Scholars.

Toni Swain of Plymouth and Macy Morgan of Pantego were selected to attend the Kellie Harper Wolfpack Basketball Academy on the campus of North Carolina State University. Toni is the daughter of Lisa and Tony Swain. She is an honor roll student at Washington County Union School and has been inducted into the National Junior Honor Society. In addition to basketball she plays volleyball, floor hockey and soccer. Toni also plays the clarinet.

Macy is the daughter of Mike and Marcy Morgan. She is an honor roll student at Pungo Christian Academy and a member of the Junior Beta Club. She attends First Presbyterian Church where she is a member of the adult hand bell choir. She also participates annually in the Log-A-Load fundraiser to benefit the Children's Miracle Network.

Representing Tideland at the Roy Williams Basketball Camp on the campus of the University of North Carolina at Chapel Hill was Adam Maurice Moore, Jr. He is the son of Adam and Kim Moore of Plymouth and an honor roll student at Washington County Union School. Adam has a yellow belt in karate and volunteers with Meals on Wheels during summer vacation and school breaks. He is a youth usher at Sure Word of Prophecy Church.

This is the eighth year Tideland EMC and North Carolina's Touchstone Energy Cooperatives have sponsored the basketball camp scholarships. Winners were selected based on their academic performance, dedication to the sport of basketball and completion of a written essay.
